I Can Use My Manners

Created by Kori @ Just Another Mom
Clipart purchased at Edu-Clips
Thank you for downloading this printable pack! This pack is intended for personal or classroom use to assist children with learning manners and appropriate use of manners.

While I tend to design these types of packs for children on the autism spectrum, I will also be using these with my toddler.

What you get in this pack:

- Manners cards (with and without text)
- Social story boards (finish the sentence with the appropriate card)

Want more printable packs like this? Be sure to check out:

- Daily Routine Printable
- Bedtime Routine Printable Pack
- My Homeschool Schedule
- My Chore Chart
- Managing My Feelings
- My Calming Strategies
